Enrollment No._____ MCA - 5th 2018.

GANPAT UNIVERSITY

M.C.A. SEMESTER–V EXAMINATION (CBCS)

P15A1ADMS: ELECTIVE-V (ADVANCE DATABASE MANAGEMENT SYSTEM)

Time: 3 Hours] Nov- Dec 2018 **[Total Marks: 60**

Instructions:

1. Figures to the right indicate full marks
2. Each section should be written in a separate answer book
3. Be precise and to the point in your answer

SECTION-I

1.(A) Do as directed. **(08)**

(1) Normalization
(2) DBMS Benchmarking
(3) Fragmentation
(4) Define: Parallel Database System.

2.(A) Answer the following Questions.(Any Two) **(11)**

(1) What is FD? Describe Armstrong's Axioms to derive FD.
(2) Explain Conceptual Schema Tuning.
(3) Explain Distributed DBMS Architecture.

3.(A) Answer the following Questions.(Any Two) **(11)**

(1) Explain Database Queries and View Tuning with Example.
(2) Describe BCNF with example.
(3) Explain Two Phase Commit.

SECTION-II

4. (A) Do as Directed. **(08)**

(1) Primary key
(2) Types of Cursor
(3) %NotFound
(4) Define : Constraints

5.(A) Answer the following Questions.(Any Two) **(11)**

(1) Explain Generic structure of PL/SQL Block.
(2) Explain PL/SQL In built Exception with Example.
(3) Write a PL/SQL that show the use of any loop structure.

6.(A) Answer the following Questions.(Any Two) **(11)**

(1) Explain PL/SQL User define Function with syntax.
(2) Explain Advantages of PL/SQL Packages.
(3) Write a PL/SQL procedure which get user name and display length of name to calling block.

M.C.A. SEMESTER-V EXAMINATION (CBCS)

P15A2AAD ANDROID APPLICATION DEVELOPMENT

Time: 3 Hours] **Nov- Dec 2018** [Total Marks: 60

Instructions:

1. Figures to the right indicate full marks.
2. Each section should be written in a separate answer book.
3. Be precise and to the point in your answer.

SECTION-I

Q-1. Answer the following. **(08)**

1. Write a difference between style & theme.
2. What is auto complete text view? How it's different from multi auto complete text view?
3. List out all dialogs.
4. List out all gradients types.

Q-2. Answer the following. (Any TWO) **(11)**

1. Short note on: Architecture of Android OS
2. What is resource? How to access integer, Boolean and String value from JAVA file? Explain.
3. What is Layout? Describe all built-in layout classes.

Q-3. Answer the following. (Any TWO) **(11)**

1. How to organized screen into tabs? Explain.
2. How to draw shapes in android? Describe any 5 shape methods.
3. List out types of animation? Explain Frame by Frame with suitable example.

SECTION-II

Q-4. **Answer the following.** **(08)**

1. What is Service? Explain.
2. How shared preference works? Describe.
3. Implement the code for reading data from file using Android application.
4. Explain the difference between phone Dialing & Calling.

Q-5. **Answer the following. (Any TWO)** **(11)**

1. Elaborate: Content Provider and its skeleton.
2. Write short note on Phone calls.
3. Explain how to perform database operations on SQLite database.

Q-6. **Answer the following. (Any TWO)** **(11)**

1. Implement the code for Sending the SMS in Android using JAVA.
2. How browsing the web with WebView Control? Explain.
3. What is NDK? Write down merits and demerits of NDK.

M.C.A. SEM-V EXAMINATION (CBCS)

P15A3NSQL: NOSQL WITH JAVASCRIPT

Time: 3 Hours] **Nov- Dec 2018** **[Total Marks: 60**

Instructions:

1. Figures to the right indicate full marks
2. Each section should be written in a separate answer book
3. Be precise and to the point in your answer

SECTION-I

Q-1. **Answer the following:** **(08)**

I. Explain different data types with example in JavaScript.

II. Discuss adding events handlers with suitable example in JavaScript.

Q-2. **[A]** **Answer the following: (Any Two)** **(10)**

I. List out types of loops in Java Script. Explain any two with example in Java Script.

II. Explain different form validation with proper example.

III. Define types of decision making statements. Explain any two with example in Java Script.

Q-2. **[B]** What is JSON? **(01)**

Q-3. **[A]** **Answer the following: (Any Two)** **(10)**

I. Explain getElementById() and getElementsByClassName() with proper example.

II. Explain appendchild() and replacechild() with suitable example.

III. Explain navigator and popup boxes in JavaScript with example.

Q-3. **[B]** What is cookies? **(01)**

SECTION-II

Q-4. **Answer the following:** **(08)**

I. Discuss collection and document in details.

II. Explain covered queries in brief.

Q-5. **[A]** **Answer the following: (Any Two)** **(10)**

I. Explain create and drop database in MongoDB with suitable example.

II. Discuss about find() and pretty() with proper example.

III. Explain insert and update document in MongoDB with suitable example.

Q-5. **[B]** Define database in MongoDB. **(01)**

Q-6. **[A]** **Answer the following: (Any Two)** **(10)**

I. Write a short note on ensureIndex() and aggregate().

II. Discuss about auto-increment sequence in depth.

III. Write a short note on regular expression in advanced MongoDB.

GANPAT UNIVERSITY

M.C.A. SEM-V EXAMINATION (CBCS)

P15A4UML: OBJECT ORIENTED ANALYSIS AND DESIGN WITH UML

Time: 3 Hours] **Nov- Dec 2018** [Total Marks: 60

Instructions:

1. Figures to the right indicate full marks
2. Each section should be written in a separate answer book
3. Be precise and to the point in your answer

SECTION-I

Q-1. Answer the following: (08)

I. Write a short note on Package.

II. Define the term: [i] Model and [ii] Annotational things.

Q-2. Answer the following: (Any Two) (11)

I. Explain class with its all attributes and operations in brief.

II. Discuss the basic building blocks of UML.

III. Draw the architecture of software and explain it in detail.

Q-3. Answer the following: (Any Two) (11)

I. Draw a class diagram for railway reservation system.

II. Discuss the generalization relationship with suitable example.

III. Explain interface, type and role in brief.

SECTION-II

Q-4. Answer the following: (08)

I. Explain State diagram in brief.

II. Discuss common modeling techniques in details.

Q-5. Answer the following: (Any Two) (11)

I. Explain Sequence diagram in brief.

II. Discuss Use case diagram with suitable example.

III. Explain Activity diagram in details.

Q-6. Answer the following: (Any Two) (11)

I. Explain Collaboration diagram in detail with suitable example.

II. Discuss patterns and framework in brief.
