GANPAT UNIVERSITY

B. Sc. (CA & IT) SEM-I EXAMINATION (CBCS)

U11A11P1: INTRODUCTION TO PROGRAMMING-I

Time: 3 Hours] Remedial April - June 2023 [Total Marks: 60

Instructions:

1. Figures to the right indicate full marks
2. Each section should be written in a separate answer book
3. Be precise and to the point in your answer

SECTION-I

1. Answer the following: (Any Five) **(30)**

a) List out Types of Algorithm. Discuss any one type of Algorithm with example.

b) Write an Algorithm to print "DCS-GNU" ten times using loops.

c) Write a short note on Primary Data Types.

d) Explain Increment and Decrement operators with example.

e) Explain Nested if… else statement with proper example.

f) What is looping? Explain for loop with proper example.

g) Write a C Program to find sum of all the numbers between 100 to 200 which are divisible by 5.

SECTION-II

2. Answer the following. (Any Two) **(12)**

a) What is Flowchart? Discuss various Flowchart Symbols.

b) Discuss basic structure of C Program with example.

c) Write a short note on Symbolic Constants.

3. Answer the following. (Any Two) **(12)**

a) What is Logical Operator? Write a C program to find largest number among three numbers.

b) What is switch case statement? Explain it with proper example.

c) Explain goto statement with example.

4. Answer the following. (Any One) **(06)**

a) Explain while loop with proper example.

b) Discuss break and continue statement with example.

U11A2OAT: OFFICE AUTOMATION TOOLS

April - June 2023 Remedial

Time: 3 Hours] **[Total Marks: 60**

Instructions:

1. Figures to the right indicate full marks
2. Each section should be written in a separate answer book
3. Be precise and to the point in your answer

SECTION-I

1. **Answer the following: (Any Five)** **(30)**

1. Discuss the difference between CUI Vs.GUI.
2. **Define terms:**
   Header, Footer, Footnote, Endnote, Drop cap, Watermark.
3. Discuss Any five Mathematical Function in Excel.
4. Write a short note on Custom Animation.
5. **Define terms:** Naming Range, Pivot Table, Goal Seek
6. Describe Access Data types.
7. Compare Word, Excel and PowerPoint.

SECTION-II

2. **Answer the following: (Any Two)** **(12)**

1. What is DOS? Explain any five Internal commands of DOS.
2. What is Batch file? Discuss with an example.
3. What is Mail Merge? Define step to create Mail Merge.

3. **Answer the following: (Any Two)** **(12)**

1. Discuss Any five Date-Time Functions in Excel.
2. What is PowerPoint? Discuss features of MS PowerPoint.
3. Discuss different types of Charts in PowerPoint.

4. **Answer the following: (Any One)** **(06)**

1. Explain MS-Access Object.
2. How to Filtering data in MS-Access?

U11A3WD1: WEB DESIGNING-I

April - June 2023 Remedial

Time: 3 Hours] **[Total Marks: 60**

Instructions:

1. Figures to the right indicate full marks
2. Each section should be written in a separate answer book
3. Be precise and to the point in your answer

SECTION-I

1. Answer the following: (Any Five) **(30)**

1. What is Website? Differentiate Static and Dynamic Website.
2. Write an HTML code to design Registration Page.
3. Describe various text formatting tags of HTML.
4. Differentiate canvas and SVG.
5. Explain <audio> and <video> tag with required attributes.
6. Explain different types of selectors in CSS.
7. Create a function in JavaScript to check whether the given number is positive or not.

SECTION-II

2. Answer the following: (Any Two) **(12)**

1. What is Internet? Discuss the usage of Internet.
2. **Define Terms: a)** WWW, **b)** Search Engine, **c)** HTTP
3. Which tag is used to create hyperlink in HTML? Explain with an example.

3. Answer the following: (Any Two) **(12)**

1. What is CSS? Explain different ways to use CSS.
2. Explain the use of drag and drop API of HTML5.
3. Discuss different border properties of CSS.

4. Answer the following: (Any One) **(06)**

1. Explain arithmetic operators and logical operators in JavaScript.
2. Discuss the advantages and features of JavaScript.

GANPAT UNIVERSITY

B.Sc. (CA & IT) SEM-I EXAMINATION (CBCS)

U11A4IT: INFORMATION TECHNOLOGY

Time: 3 Hours] April - June 2023 Remedial **[Total Marks: 60**

Instructions:

1. Figures to the right indicate full marks
2. Each section should be written in a separate answer book
3. Be precise and to the point in your answer

SECTION-I

1. Answer the following: (Any 5) **[30]**

1. Discuss any five Input and Output Devices.
2. What is Computer? Explain Block Diagram of Computer.
3. List out type of port and Explain it in detail.
4. Write a short note on registry.
5. Explain Scripting Language in detail.
6. Discuss type of software in detail.
7. Define Data Bus and Address Bus.

SECTION-II

2. Answer the following: (Any 2) **[12]**

1. Write a short note on Data and Information.
2. Discuss BIOS in detail.
3. Explain Modem in detail.

3. Answer the following: (Any 2) **[12]**

1. Discuss Low Level Language in detail.
2. Write down difference between Compiler and Interpreter.
3. Write a short note on Programmed I/O.

4. Answer the following: (Any 1) **[06]**

1. Differentiate between RAM and ROM.
2. Explain Architecture of Micro Processor.

GANPAT UNIVERSITY
B.Sc. (CA & IT) SEM-I EXAMINATION

U11A5FM FUNDAMENTAL OF MATHEMATICS

Remedial April - June 2023

Time: 3 Hours] **[Total Marks: 60**

Instructions:

1. Figures to the right indicate full marks
2. Each section should be written in a separate answer book
3. Be precise and to the point in your answer
4. Use of simple calculator is allowed

SECTION-I

1. **Answer the following: (Any Five)** **(30)**

1. Let $U = \{0,1,2,3,\dots,11\}$, $A = \{0,2,3,4,6,9\}$, $B = \{2,4,8,10\}$ and $C = \{1,4,9,10\}$.

   Find (i) $A \cup B$ (ii) $A \cap B$ (iii) A' (iv) B' and (v) $A \cup B \cup C$

2. There are 60 students in a class. Every student must play at least one game. It is found that 40 students play cricket and 15 play both cricket and football.

   Find (i) The number of students who play cricket but not play football

   (ii) The number of students who play football

   (iii) The number of students who play football but not play cricket.

3. If $f(x) = \begin{cases} 2+3x\ , & x \geq 0 \\ 2-3x\ , & x < 0 \end{cases}$

   Then find $f(2) + f(0) + f(-2) + f(3) - f(5)$

4. Discuss Isomorphic Graph in detail.

5. Define the following terms in context of graph theory with suitable example:

   Graph, Connected graph, Pendent vertex, Closed Walk, Paths

6. If $A = \begin{bmatrix} 2 & 1 & 4 \\ 0 & 3 & -4 \\ 5 & 2 & 12 \end{bmatrix}$ and $B = \begin{bmatrix} 1 & 0 & 2 \\ -8 & 4 & 44 \\ -5 & 3 & 1 \end{bmatrix}$ then find BA and AB.

7. How many different license plates can be made if each plat contains a sequence of two uppercase English letters followed by two digits?

SECTION-II

2. Answer the following: (Any Two) **(12)**

1. If $A = \begin{bmatrix} 4 & 1 & 4 \\ 0 & 6 & -5 \\ 5 & 2 & 12 \end{bmatrix}$ and $B = \begin{bmatrix} 4 & 0 & 2 \\ -8 & 5 & 40 \\ -5 & 3 & 1 \end{bmatrix}$ then find $A + B$ and $A - B$.

2. If $A = \begin{bmatrix} 0 & -2 & 5 \\ 2 & 0 & -6 \\ -5 & 6 & 0 \end{bmatrix}$ then check whether the given matrix is skew-symmetric or not? Justify your answer. Then evaluate AB if $B = \begin{bmatrix} 2 \\ 0 \\ 1 \end{bmatrix}$.

3. Define the following set by Roaster method

   (i)$A = \{x/x$ is a single digited prime number$\}$

   (ii)$B = \left\{x/x = \frac{n}{n+1}, n \in N, n \leq 4\right\}$

   (iii)$C = \{x/\, x^2 - 5 = 0, x \epsilon R\}$

3. Answer the following: (Any Two) **(12)**

1. Determine whether the following functions are one-one or many one

   (i)$f: N \to N\,, f(x) = x + 5$ (ii) $f: R \to R\,, f(x) = |x| + 3$

2. Discuss application of graph theory in computer science.

3. State True or False

   (i)A function is onto when its range and codomain are equal

   (ii) Function cannot return more than one value at a time

   (iii) If $f: Z \to Z\,, f(x) = x$ then given function is called constant function.

   (iv) If $f: N \to R\,, f(x) = x^3 - 1$ then domain of given function is R.

   (v) If $f: Z \to R\,, f(x) = x^4 - \frac{1}{3}x$ then codomain of given function is R.

   (vi) Range of function is subset of codomain.

4. Answer the following: (Any One) **(06)**

1. Find the number of words, with or without meaning that can be formed with the letters of the word 'HAPPY'.

2. How many different ways can gold, silver, and bronze medals be awarded in an Olympic event with 12 athletes competing?

GANPAT UNIVERSITY

B.Sc. (CA&IT) SEMESTER-I

REMEDIAL EXAMINATION (CBCS) April - June 2023

U11B6CS1: LANGUAGE & COMMUNICATION SKILLS-I

Time: 3 Hours] **[Total Marks: 60**

Instructions:

1. Figures to the right indicate full marks
2. Each section should be written in a separate answer book
3. Be precise and to the point in your answer

SECTION-I

Q.1 Attempt any FIVE out of SEVEN: **(30)**

1. Define the term 'communication' and explain its features.
2. Explain any five conjunctions and give examples.
3. Discuss the effective modes of listening.
4. What do you mean by reading comprehension? Discuss the techniques of effective reading.
5. Write about the several types of formal letters.
6. Explain the characteristics of a good speaker.
7. Write your expressions for the following situations:

Greeting people, Introducing your-self, and congratulating people on their success.

SECTION-II

Q.2 Attempt any TWO: **(12)**

Do as directed:

1. He is happy ____ me. (with/on)
2. Dipak locked ____ bike, so we can go to _____ theater. (a/an/the)
3. I like sugar _____ chocolate powder in my milk. (but/and)
4. You'll do it if you _____ enough. (try smartly/tray hard)
5. Nimes _____ in Baroda since 2000. (has been living/ has living)
6. Use a phrasal verb 'Break down' and write a sentence.

B. Discuss various types of non-verbal communication with examples.

C. Define barriers. Explain its various types.

Q.3 Attempt Any TWO: **(12)**

1. What are the qualities of a good listener?
2. Discuss intensive and extensive reading types with illustrations.
3. One of your friends has participated in an elocution competition; give her/him some suggestions to perform better.

Q.4 Attempt Any ONE: **(06)**

1. As you want to spend summer vacation in Shimla, write a letter to the Manager of Hotel Hill, Shimla, inquiring about the room availability, other facilities, check-in, check-out time, etc. Use block layout.
2. Write a cover letter to the H R Manager, RBL Bank Ltd., Vadodara to apply for the post of a Manager You may include details of educational qualifications, skills, achievements, and other required information.
