B.Sc. IT(Cyber Security) SEM-III EXAMINATION
U63A1LOS: LINUX SERVER OPERATING SYSTEM

Time: 3 Hours] Nov - Dec 2022 [Total Marks: 60

Instructions:

1. Figures to the right indicate full marks
2. Each section should be written in a separate answer book
3. Be precise and to the point in your answer

SECTION-I

1. Answer the following: (Any Five) **(30)**

1. Discuss component of Linux Operating System.
2. Give difference between Linux and Unix.
3. Explain all Filters in detail.
4. What is Shell? Write down advantages and disadvantages of Shell Script.
5. Discuss File Globbing in detail.
6. Differentiate YUM V/S RPM.
7. Explain Shadow file in detail.

SECTION-II

2. Answer the following: (Any Two) **(12)**

1. What is RAID? Explain any two level of RAID in detail.
2. Write a short note on Network IP Address.
3. Discuss Manual Pages with all options in brief.

3. Answer the following: (Any Two) **(12)**

1. Explain all commands which are working with file content.
2. Discuss Absolute and Relative Paths in brief.
3. FTP V/S SFTP.

4. Answer the following: (Any One) **(06)**

1. Discuss Encryption with crypt in detail.
2. Write a short note on User Account.

U63A2DMS: DATABASE MANAGEMENT SYSTEM

Nov - Dec 2022

Time: 3 Hours] **[Total Marks: 60**

Instructions:

1. Figures to the right indicate full marks
2. Each section should be written in a separate answer book
3. Be precise and to the point in your answer

SECTION-I

1. Answer the following: (Any Five) **(30)**

1. What is data model? Explain Hierarchical Data model.
2. What is E-R model? Explain various component of E-R model.
3. What are constraints? Explain all constraints.
4. Define the categories of Data Manipulation Language with example
5. Explain any five-aggregate function with example
6. What are indexes? Explain any types of indexes.
7. Write a short note on 5NF.

SECTION-II

2. Answer the following: (Any Two) **(12)**

1. Write different between RDBMS and DBMS.
2. What is normalization? Explain 1NF with example.
3. Explain the Dr. E. F. Codd's rules for RDBMS.

3. Answer the following: (Any Two) **(12)**

1. Define categories of Transaction control language with example.
2. What is joins? Explain types of joins.
3. Explain having by and group by with example.

4. Answer the following: (Any One) **(06)**

1. Discuss grant and revoke permission with example.
2. Explain view with example.

B. Sc.IT (CYBER SECURITY) SEM-III EXAMINATION

Nov - Dec 2022

U63A3OCP: OBJECT ORIENTED CONCEPTS AND PROGRAMMING

[Time: 3 Hours] **[Total Marks: 60]**

Instructions:

1. Figure to the right indicate full marks
2. Each section should be written in a separate answer book
3. Be precise and to the point in your answer

SECTION- I

1 **Answer the following: (ANY FIVE)** **(30)**

A) Explain polymorphism in detail with example.

B) Explain type conversation and type casting with example.

C) What is multi thread? Explain different way to implements thread.

D) What is inheritance? Explain in detail.

E) Explain ArrayList with example.

F) Explain InetAddress class with example.

G) What is lambda expression? Explain advantages of it.

SECTION- II

2 **Answer the following in detail: (ANY TWO)** **(12)**

A) Why is Java called platform independent? Explain in detail.

B) Differentiate between abstract classes with interface.

C) List any six exception handler name and give cause of occur.

3 **Answer the following in detail: (ANY TWO)** **(12)**

A) Explain java.util.Vector with example.

B) Explain TCP/IP Server Socket with example.

C) Explain in brief java security manager.

4 **Answer the following: (ANY ONE)** **(06)**

A) Explain method and constructor reference of lambda expression.

B) Explain Generic functional interface of lambda expressions.

Nov - Dec 2022
U63A4CN1: COMPUTER NETWORK-I

Time: 3 Hours] **[Total Marks: 60**

Instructions:

1. Figures to the right indicate full marks
2. Each section should be written in a separate answer book
3. Be precise and to the point in your answer

SECTION-I

Q-1. Answer the following: (Any Five) **(30)**

1 Explain Uses of computer network.

2 Discuss various Network Topologies in brief.

3 Explain OSI Model in brief.

4 Write down difference between IPV4 and IPV6.

5 Explain sliding window protocol in brief.

6 Write a short note on switching.

7 Explain Digital signature in brief.

SECTION-II

Q-2. Answer the following: (Any Two) **(12)**

1 Give a difference between Wired Network and Wireless Networks.

2 Explain ALOHA in detail.

3 Discuss Framing in detail.

Q-3. Answer the following: (Any Two) **(12)**

1 Connection Oriented V/S Connectionless services.

2 Write down difference between Static and Dynamic routing.

3 Write a short note on ARP and RARP.

Q-4. Answer the following: (Any one) **(06)**

1 Discuss SMTP and POP3 in brief.

2 Write a short note on cryptography.

U63A5DF1 : DIGITAL FORENSICS- I

Nov - Dec 2022

Time: 3 Hours] **[Total Marks: 60**

Instructions:

1. Figures to the right indicate full marks
2. Each section should be written in a separate answer book
3. Be precise and to the point in your answer

SECTION-I

1. **Answer the following: (Any Five)** **(30)**

1. Explain Incident Response Process in Detail
2. Describe the Role of Digital Forensic.
3. Describe Different Tools of digital forensic
4. Configure Logs and log management
5. Draw Network Diagram and elaborate network device Evidence.
6. Illustrate Evidence Acquisition.
7. Explain Live Imaging.

SECTION-II

2. **Answer the following: (Any Two)** **(12)**

1. Explain incident response Framework in detail.
2. Explain the Digital Forensic process.
3. Classify Incidents in digital world of networks.

3. **Answer the following: (Any Two)** **(12)**

1. Explain Way to Acquiring Host based Evidence Volatility.
2. What is Packet Capture? Describe in Detail.
3. Explain Onion Security.

4. **Answer the following: (Any One)** **(06)**

1. Illustrate Types of Documentation.
2. Explain Dead Imaging.

U63B6EDM: ENVIRONMENT DISASTER MANAGEMENT

Nov - Dec 2022

Time: 3 Hours] **[Total Marks: 60**

Instructions:

1. Figures to the right indicate full marks
2. Each section should be written in a separate answer book
3. Be precise and to the point in your answer

SECTION-I

1. **Answer the following: (Any Five out Seven)** **(30)**
   1. Describe six major challenges faced by Environment?
   2. What is Ecosystem? Explain the Classification of Ecosystem.
   3. What is Water Pollution? Discuss the Source, Classification and Preventing from Water Pollution.
   4. Discuss Current Environmental Global Issues. (Global Warming and Acid Rain).
   5. State word Disaster? Illustrate the Disaster Management Cycle.
   6. Discuss the Awareness and Planning for Earthquakes Disaster.
   7. Evaluate causes and prevention tips for Manmade Disasters Transportation Accidents.

SECTION-II

2. **Answer the following: (Any Two)** **(12)**
   1. Tell about Environment? Discuss the Scope of Environment.
   2. Describe the Components of Ecosystem.
   3. Discuss The Hydrologic Cycle.
3. **Answer the following: (Any Two)** **(12)**
   1. Discuss the Air Pollution in brief.
   2. What is Noise pollution? Discuss the Source, Effects and the way of control the Noise Pollution.
   3. Discuss the Awareness and Planning for Flood Disaster.
4. **Answer the following: (Any One)** **(6)**
   1. Discuss importance of Police as a Local Institutions in Rehabilitation
   2. Explain role of Government in Rehabilitation.
